Use: SVG/PDF for printers, signs, van wraps, embroidery; PNG for email, web, documents. **Vans & signs:** use "primary-solid-navy-line" (no silver ink needed). **Small sizes** (under ~1 in / 120 px, embroidery, small vinyl): use the "small-sizes" files. **Rules:** navy letters on white is the main look; white-on-navy only where the surface is dark. Keep MAINTENANCE with the mark on vehicles, uniforms and signs. Do not stretch, outline or recolor. **Status:** hold printing until the name clears Illinois SOS and USPTO.
